

To make this patriotic 12" x 18" mini, you will need to make 6 blocks in total, 2 in red, green & blue. Do not add a light strips to the block as indicated in the block instructions.

Follow these instructions to make Half Square Triangles with no trimming and no waste!

From both the red print & white print cut:  
1 – 3 ¾" square.

[Click Here & follow this method called the Magic 8 to make enough Half Square Triangles for both red blocks.](#)

Repeat this for the blue and green blocks.

Follow these instructions to make Flying Geese with no trimming and no waste!

From the red print cut: 4 – 1 7/8" squares

From the white print cut: 1 – 3 ¼" squares

[Click Here & follow the SECOND method shown to make enough Flying Geese for both red blocks.](#)

Repeat this for the blue and green blocks.

From the green print cut:

6 – 1 ½" x 2 ½" rectangles

From the blue print cut:

1 – 1 ½" x 1 ½" rectangle

From the border print cut:

2 strips 2" x 12".

Assemble the center row as shown in the picture above. Press the seams toward the green rectangles.

The row should measure 2 ½" x 15 ½". Arrange and stitch the blocks into rows, and stitch to either side of the center row. Press the seams in either direction. Add the top & bottom borders. Press outward.

The mini should measure 12" x 18".
